## Mendocino Diving Trip and Abalone Cook-off

Fred and Priscille sample Dan's exquisite Dixie Blackened Voodoo Ab.  
With a name like that, lots of folks were stopping by to find out the magic ingredients (and ask if Dan sold love potions).

## Salt Point Campout -- Labor Day, 2001

Sunny weather, flat water, and good company made this weekend super.

Below, Curt heads out on his kayak for uncharted waters as he hunts the big white abalone that got away.
